

## TAOPHEEK ADEBOWALE BABAYEJU – BODY OF WORK

Entrepreneur, Transformation Strategist, Technology Consultant and Project Leader  
CEO, iCentra | PMI Person of the Year | Author | Keynote Speaker

### Professional Summary

Taopheek Babayeju is a globally recognized transformation strategist, accomplished entrepreneur, and business leader with over two and half decades of outstanding contributions to business, technology, and society. His career is defined by a deep commitment to excellence, innovation, and human capital development. He is renowned for his ability to lead high-impact initiatives that drive organizational growth, enhance performance, and deliver measurable value across private and public sectors.

Taopheek is the Founder and CEO of **iCentra**, a technology and business solutions powerhouse with presence in **Nigeria (Abuja), the United States (Texas), and the United Kingdom (London)**. Under his leadership since 2009, iCentra has grown into a trusted global partner for strategic transformation, serving governments, development partners, and Fortune 500 companies. His core areas of expertise include Strategy & Innovation | Enterprise Transformation | Project, Program & Portfolio Management | PMO Delivery | Technology Consulting | Cybersecurity | AI | Change & Risk Management.

Taopheek has led the delivery of transformational projects across sectors such as finance, oil & gas, ICT, and public administration. He has managed **multi-million-dollar portfolios** and executed high-stakes interventions for: **Central Bank of Nigeria, Nigerian Revenue Service (NRS), NNPC Limited**, Development partners and multinational organizations.

His strategic and technical leadership has improved governance, efficiency, and innovation across the African ecosystem and North America.

### Global Recognition & Impact

Taopheek's relentless pursuit of learning and leadership excellence has earned him global recognition and access to elite platforms.

- **PMI Eric Jennet Person of the Year Award** – Project Management Institute Global (2024)
- **Most Outstanding Contribution to Project Management in Nigeria** – Project Management Institute Nigeria Chapter (2010)
- In recognition of his *extraordinary abilities and achievements* in business and technology, the **United States Government** designated Taopheek as a **“Person of Extraordinary**

## TAOPHEEK ADEBOWALE BABAYEJU – BODY OF WORK

**Ability**". This distinction also paved the way for the expansion of **iCentra Solutions LLC** in the U.S.

- Recognized by global organizations for business innovation and leadership. In **2022**, Taopheek was accepted into the **Forbes Business Council**, an exclusive invitation-only community of successful business leaders globally. His induction came after rigorous vetting based on his exceptional business growth track record and leadership impact. His contributions are regularly featured on **Forbes.com** and other leading platforms.
- Multiple media recognitions for entrepreneurship and societal contributions.

### Social Enterprise & Impact Initiatives

Beyond business, Taopheek is deeply passionate about empowerment and inclusive development. He is the founder and leader of several high-impact social initiatives, including:

- **The TAB Foundation** – An impact-driven foundation focused on leadership development, manpower capacity building, and cultural renaissance across Africa, with flagship initiatives such as *Project1500* aimed at empowering underserved young Africans.
- **ProMaCon Africa** – A not-for-profit dedicated to project management advocacy and capacity development. Taopheek convened Nigeria's first-ever National Project Management Conference in 2009 and successfully scaled the ProMaCon initiative across Africa.
- **LeadPreneur** – A platform for raising transformational leaders and entrepreneurs, previously hosted by the U.S. Ambassador at the U.S. Embassy in Abuja.
- **W4o Initiative** – A women-focused program promoting empowerment, leadership, and inclusion among African women.

These initiatives have reached and empowered hundreds of thousands of individuals worldwide through training, mentoring, conferences, and sustained community engagement.

### Public Sector & Policy Contributions

Taopheek's expertise has been leveraged at national level as a member of the **Presidential Committee on Innovation**, where he played a key role in developing Nigeria's national innovation policy. His contributions to governance, innovation, and economic reform have further established him as a trusted voice in national transformation discourse.

### Angel Investment & Start-up Mentorship

Taopheek is an angel investor and mentor to early-stage ventures across Africa and United States. He provides capital, strategic support, and business advisory to startups with high-impact potential in technology and social innovation.

## TAOPHEEK ADEBOWALE BABAYEJU – BODY OF WORK

### Publications & Thought Leadership

Taopheek is a published author and regular contributor to:

- **Forbes Magazine**
- **Leadership Newspaper**
- **BusinessDay Newspaper**
- **PMWorld Journal** (International Contributor)

His notable work includes **UNLOCK: The Secrets to a Winning Life" – A book on personal and professional transformation**, featured in the **Forbes Executive Library**

His thought leadership spans management, leadership, entrepreneurship, and innovation with scholarly contributions that continue to shape discourse in Africa and beyond.

### Public Lectures and Speaking Engagement

Taopheek is a sought-after speaker and media contributor. He has delivered keynote speeches and expert analyses at major conferences and media platforms
